COACH OF CONDUCT

1. Coaches will not partake of alcoholic beverages prior to or during participation in any activity involving the coordinating or supervising of youths.
2. Control yourself and set the best possible example of sportsmanship.
3. Root for your team . NOT AGAINST THEIR TEAM.
4. Abide by all decisions of game officials.
5. Do not smoke or use tobacco in the area of practice or games.
6. Do not %heckle+or %ide+an opponent, official or spectator.
7. Do not use foul language.

If a coach is ejected by an official, he/she will be suspended from practices and games (the time length will be determined by the Recreation Director). If a coach gets suspended a second time, he/she can be reviewed to further coach.

Attitudes of parents and coaches at games towards the child, the opposing team, the officials or the coach influence the child's values and behavior in the sport. Sometimes, overly anxious or protective parents expect immediate success rather than long term benefits.

Inappropriate behavior devalues the sport and creates unnecessary stress for the player. It is not in keeping with the spirit of recreation youth sports. Any coach, parent or player that fails to adhere to the Escalon Recreation Department CODE OF CONDUCT will be open to expulsion from games along with having them or their child removed from Escalon Recreation Sports.
