COMMITTEE AND COMMISSION APPLICATION PACKET

Dear Citizen:

This has been prepared to inform the residents of Escalon of the opportunities for citizens' participation in local government through advisory committees. It includes basic information about the purpose and responsibilities of the committees, qualifications for membership and how to apply for a city committee.

By serving on a city advisory committee you can participate in planning the future of Escalon. Many of these committees are making recommendations that will greatly affect life in Escalon. It is important that prospective members of our committees clearly understand the functions and responsibilities of membership before actively seeking appointment. A great deal of personal satisfaction may be received from public service and the knowledge and experience gained will be invaluable to you.

The Escalon City Council is now accepting applications for:

1. Planning Commission (2 Terms Available – Expiring 6/1/2028)

The Planning Commission meets once a month on the second Tuesday after the first Monday at 6:30 p.m. Planning Commissioners must be City of Escalon residents and be registered to vote in Escalon. Some duties of the Planning Commission include:

- Act as the advisory agency for the city concerning the administration of the Subdivision and Map Act of the State of California and development projects within the City.
